Foreword

Welcome to Velox Institute. It is an honor to have you join us on this transformative educational journey. At Velox, we are dedicated to fostering a stimulating, inclusive, and diverse environment where students grow not only in knowledge but as globally aware, responsible individuals.

Founded with a bold vision, Velox Institute is inspired by our founder's extraordinary journey—earning an MBA from a top 1% university at just 19 years old. Her path, carved through determination and strategic learning, is a testament to the power of acceleration and adaptability, and it continues to inspire our mission today.

Guided by our core pillars of Acceleration, Accessibility, and Adaptability, we strive to prepare students for an interconnected global future. Our experienced advisors are committed mentors and friends, dedicated to supporting each student as they pursue their dreams.

We extend our heartfelt gratitude to the parents and students who have chosen Velox Institute as a partner in achieving a competitive head start. We are committed to delivering an exceptional experience tailored to every learner's aspirations.

Vision & Mission

Vision

To be a leading institution in providing internationally recognized education, shaping responsible, globally-minded, and innovative future leaders

Mission & Values

- 01 Accelerating:** We are committed to fast-tracking our students' academic and professional journeys by offering cutting-edge programs and resources that empower them to achieve their goals efficiently.

Through innovative teaching and dynamic support, we ensure our students are always one step ahead in an ever-evolving world.

- 02 Accessibility:** Our institute stands for inclusivity, ensuring education and opportunities are within reach for all, regardless of background or circumstance.

By fostering a welcoming and supportive environment, we make higher learning a possibility for everyone who seeks it.

- 03 Adaptability:** In a rapidly changing global landscape, we equip our students with the skills and mindset to thrive by embracing flexibility and innovation.

We evolve with the times, preparing graduates to confidently navigate and lead in any environment.

We shape students into responsible, ethical, and socially-aware leaders. We encourage participation in community service and social action.

About Us

As a premier global institution, Velox Institute is dedicated to accelerating students' academic journeys in groundbreaking ways. From first-year high school students to those preparing for university, we welcome learners of all ages and educational backgrounds, including those on unconventional paths.

We provide an inclusive environment where the sooner you start with us, the faster you achieve your goals. With strong expertise in education acceleration, we proudly lead the market with a proven track record, guiding individuals to remarkable milestones such as:

- Completing a top school's diploma by the age of 17.
- Earning a degree from a Top 1% University by the age of 19.

While these achievements are exceptional, they are not merely guidelines—they exemplify what is possible to achieve with the right support. Reach out to us today to discover how we can help you achieve similar success and unlock your full potential. At Velox Institute, we are committed to helping you unlock your potential and achieve your dreams, one accelerated step at a time.

The Velox Program

Our flagship program is designed to understand your unique educational goals and craft a strategic, personalized pathway to help you achieve them, giving you a competitive edge.

For optimal results, we recommend progressing through our comprehensive five-phase journey. You also have the flexibility to combine phases and complete them in intervals, allowing you to focus on specific objectives at your own pace.

To explore each phase in detail, please refer to pages 6-9.

Scroll to the next page to view Phase 4 (Headstart and Accelerate Pathway)

Phase 1

Strengths assessment and Goal Strategy

We will identify your unique strengths and crafting a **strategic plan tailored to your career aspirations**. This phase **sets a solid foundation** to align your goals with your capabilities, ensuring that you have a personalized strategic approach.

Benefits:

- **Personalized Guidance:** A strategic plan tailored to your unique strengths and aspirations ensures a customized approach to achieving your goals.
- **Strong Foundation:** Aligning your capabilities with your objectives provides a clear and focused roadmap for success.
- **Increased Clarity:** This phase helps you better understand and harness your strengths to pursue your career aspirations effectively.

Phase 2

Resume Enhancement & Interview Preparation

Your resume will be meticulously refined to highlight your skills and experiences. Additionally, we'll prepare you for interviews, equipping you with the confidence and strategies to succeed. You will receive **comprehensive interview preparation from a Top Recruiter**, including **confidence-building strategies**, and your portfolio will also include a **professionally filmed video introduction of yourself**. This will set you well in stead for any upcoming interviews and conversations with the admission officers, relevant stakeholders, etc.

Benefits:

- **Enhanced Professional Profile:** A polished resume highlighting your strengths and experiences, aligned with ATS readability.
- **Interview Confidence:** Comprehensive preparation from top recruiters, including confidence-building strategies
- **Stand-Out Portfolio:** A professionally filmed video introduction to make a lasting impression on stakeholders, such as admission officers.

Phase 3

Virtual job experience program

You will be placed in a virtual internship, offering hands-on experience, practical skills, and insights into daily work in your chosen field. This opportunity will help reaffirm your career path and interests, **with placements at prestigious multinational corporations we proudly collaborate with.**

*Please note, Phase 3 is exclusively for selected majors.

Benefits:

- **Hands-On Experience:** Practical skills development through real-world tasks in your chosen career field.
- **Career Insights:** Exposure to the day-to-day work environment, reaffirming your interests.
- **Prestigious Opportunities:** Internships with globally renowned multinational corporations.

Phase 4

Headstart

After putting together a professional portfolio from your experiences in phase 1-3, we will help you to be **admitted to either Harvard or Cornell University's summer / winter programs.** Our current success rate stands at one of the highest in the industry, at more than 95%.

Benefits:

- **Heighted Academic Credentials:** Certificates from Harvard or Cornell's summer/winter programs to significantly elevate your academic standing.
- **Strong Endorsements:** Recommendation letters from Velox, the MNC of your internship, and/or the summer/winter program.
- **Strong Network:** Opportunity to connect with some of the brightest minds in the world, and convert these connections into opportunities

Phase 5 **Accelerate**

Together, we will strategize a pathway for you to **graduate** from your interested major, from a **Top 1% University in record time**. Our proven track record have students completing their degrees as early as ages 18-20 years old.

*For those that have to undergo National Service, our record is a male who ORD-ed and graduated with honours at 22 years old (vs the usual 25 years old for people in the NS system).

Benefits:

- **Academic Acceleration:** Strategic guidance to *graduate in record time, from a Top 1% University in the major of your interest*. Begin acceleration as early as the final year of secondary school.
- **Proven Results:** Our founder herself completed her Master Degree from a Top 1% university by 19, with a successful track record of helping others complete their bachelor/master degree from an elite university by 18-20 years old.
- **Financial Savings:** Pursuing academic acceleration at Velox Institution offers significant financial advantages. By starting their careers 2-4 years earlier, students save substantial amounts compared to the traditional education path which is much longer. Additionally, many of our students are eligible for scholarships or rebates through their home institutions, further easing the financial commitment.

Phase 4 Headstart **Entry Requirements:**

- Students between 15-17.5 years old.
- Majors eligible: Open to all majors

*If your profile is different from the above requirements, email us at contact@veloxinstitute.com

Phase 5 Accelerate **Entry Requirements:**

- Open to students about to graduate secondary/high school. (No age restriction)
- Open to students currently in early stages of their A'levels, IB, Diploma etc. (No age restriction)
- Majors eligible: Open to majors related to Business, IT and Journalism.
